Unique opportunities through your support

BALTIC PATRONS

Enjoy prestigious opportunities in return for your support:

- Support one of the UK's leading cultural organisations
- Join a network of like-minded people
- Attend exclusive events both at BALTIC and around the UK
- Engage on a deeper level with art and artists

BALTIC Patrons enjoy unique opportunities to socialise and network with a group of like-minded individuals who are passionate about one of the UK's leading arts organisations. We'll invite you to a prestigious calendar of events arranged exclusively for our Patrons and in the company of our Director and Chief Curator. These bespoke activities, both in the North East and around the UK, will give you a unique opportunity to engage with art and artists.

With BALTIC becoming the first venue outside Tate to host the influential Turner Prize exhibition and awards ceremony in October 2011, there has never been a better time to become involved in the life of this world-class gallery.

How your valued support will help us

Funds raised through BALTIC Patrons will go towards supporting the gallery's learning and development work, ensuring BALTIC maintains its position as one of the most innovative and inspiring art galleries in the world.

Through our schools and community programme, we currently deliver formal and informal learning activities to 16,000 children and over 13,000 adults a year. Your generosity will help to sustain this work.

Your support will be acknowledged on the prominent nameboard located on the ground floor of BALTIC. You will also receive accreditation on our website and in certain printed materials including exhibition catalogues.
